### Committees:

Garage Sale: Was March 25th. We had great help. Thanks to everyone!  
Overall inventory was down but we still made \$4359 which will be split with senior activities. We also sold walking tacos and water. Tennis team really stepped up to help with clean up! Easter Seals took most of what was left. Dates for next year look ok. Only problem is someone moved and lost 4 of our new signs. Someone moved many of our signs up and down Sylvania Ave.

SSPO: Meeting was very intense. Redistricting. They have come down to option 1 and option 3. See website for options. They are considering educational impact, social impact, geographical impact as well as financial impact. This week they expect to put out mapping of both options.

Hospitality: Final one for the year on Wed. May 3.

### Directory:

### ACT Practice Test:

Academic Banquet: Sunday, May 7th. All 4 years are invited. Cell phone holders as gifts. Invitations have gone out. The Valedictorian will be out of town, do we want to invite the Salutatorian to speak? Yes, invite the Salutatorian to speak. If they do not want to, we will go without a Valedictorian/Salutatorian speech. As the all school calendar is put into place for next year, just need to make sure the Academic Banquet is scheduled after 3rd qtr and not on prom weekend.

Anna Martins has agreed to help Chair Academic Banquet next year.

### Counselor's Corner:

Ohio State Tests are this week.

AP pre registration will be next week. Wednesday, April 12 and Thursday, April 13.

Scheduling is moving along.

We have had a good response to the new Forensic Science Class that is offered for next year. Over 40 students have signed up.

Principal's Report: Jim Huss Present to give report

Thank you for Parent Club's help with the new Banners for Graduation. They look Great!

All school assembly is moved to April 27th.

Mock Accident is April 25th. It will be both SV and NV here at SV. It was suggested to move it only to Seniors so that everyone has the same experience. If one school goes from accident into another speaker, it could lose some of the impact of going straight through the program.

Prom is April 29th at Sylvania Country Club.

D4AC raised over \$17,000 for Paws of War! Great Job!

Legally Blonde will be next week Thursday - Saturday at 7:30. Sunday at 2:30.

Grants:

Kim Beil for Special Ed Moderate/Intense has requested \$273.68 for 2 Black Carts which are used in by the students in their department. The request is tabled to gather more information.

Jodi Hess/Tony Geha have requested \$1500 to help pay a Alex Sheen a speaker for our Senior Seminar Day on May 17th. The request was tabled to gather more information.

President's Report:

List of supplies - The department chairs are discussing how it should be done. By department, by individual teachers... etc. They will be getting back to us. Need to check with Pam and Dave to see where this stands.

Scholarship applications are coming in. Thank you to those who have volunteered to be on the committee.

Next meeting is Wed. May 3, 2017 at 9:00 am
