Seniors are busy. Applications, ACT Tests, College Reps visiting SV.

Still working on getting an earlier date for FAFSA meeting.

PSAT is coming up. We are encouraging Juniors to take. Students need to take it for the National Merit competition.

This year we will have all of the Junior Class take the ACT during School hours as part of graduation requirements. March 21, 2017.

We are identifying Juniors who need extra help with the new graduation requirements.

EWIMS- Identifying those students who need additional help with classes

Principal's Report:

Homecoming was a success. We had over 500 students. We turned it into more of an event than a dance. We had Laser Tag, Carnival Games, card games, snacks, cotton candy.

8th Grade Open House is Thursday, Nov 10, 2016.

The Learning Center (TLC) is up and running.

High Schools That Work (HSTW) will be coming in to train our NHS students on tutoring.

We are concentrating on test prep for the new style tests.

SV is moving towards standards based grading (SBG). It measures your student's mastery of the essential standards for each class, or how well your student understands the material. Final grades will be based on the evidence gathered from all the assessments demonstrating mastery of the standards. More information will be coming as SBG is introduced.

Continuing with the 3 R's (Realize, Reach, Reap). Realize - Premise: Happiness inspires us to be more productive. We need to train our brain to be positive. I proposed to SV staff to join me in a challenge to write down 3 new things you are grateful for each day for 21 days in a row. We have over 40 teachers participating.

Help the district Pass the Levy!! Get the word out. Website voteforsylvania.org and Facebook strong schools strong sylvania.
